FOR IMMEDIATE RELEASE

BUILDERadius, Inc. Honored with Associate Member of the Year Award at the International Code Council Region VIII Annual Membership Meeting.

North Myrtle Beach, SC – May 4, 2008 – BUILDERadius, Inc. was honored with the first ever Associate Member of the Year Award by the International Code Council (ICC) Region VIII which includes the states of Georgia, North Carolina, South Carolina, and Tennessee. The award was given during the ICC Region VIII Annual Membership Meeting that coincided with the Building Officials Association of South Carolina's (BOASC) Annual Educational Conference. The Associate Member of the Year Award is given in recognition of outstanding contributions and dedication to professionalism in the field of code development, implementation, and administration. BUILDERadius, Inc. received this award for its Community Development Software, BluePrince.

Dan Kenney, Director of Sales for BUILDERadius, accepted the award. "We have worked hard to offer every jurisdiction in the Southeast with affordable, cutting-edge community development software along with superior customer support," said Kenney, "and we are very honored to accept this award."

BUILDERadius has established a presence throughout the Southeast by fostering relationships with several jurisdictions. Many of the cities in the Southeast were early adopters of BluePrince and continue to use the software to electronically issue permits, schedule and record inspections, track licensing information, and communicate with the building community. These jurisdictions include Charleston SC, North Charleston SC, Columbia SC, Richland County SC, York County SC, Murfreesboro TN, Douglas County, GA, Surry County NC, and many more.

About ICC Region VIII

The ICC Region VIII Chapter, established in 2005, was formed to create a strong, unified network of building safety professionals, providing them with educational opportunities, a forum to discuss regional building safety matters and greater political strength when addressing code adoption and code development issues. The Chapter represents the states of Georgia, North Carolina, South Carolina and Tennessee.
