BLUEPRINCE INTRODUCES UPDATED COMMUNITY FORUM

ASHEVILLE, NC – August 24, 2010 – BluePrince Software and Services for Community Development, a leading national provider of software for local government, launched its updated BluePrince Community Forum. The forum is now the central place for clients to receive all training options, learn about upcoming BluePrince events, communicate with other users and the BluePrince staff, and submit support ticket.

“We have been working on a location where our users can find all of the information they need in one place,” says Lorrie Barnwell, President of BluePrince, “The BluePrince Community Forum is the perfect setting to build community with one another and discuss, read, ask questions, or make comments about every aspect of BluePrince.
