FOR IMMEDIATE RELEASE

BUILDERadius, Inc. Promotes Colleen Queeney Vice President, BluePrince®

ASHEVILLE, NC – June 26, 2008 – BUILDERadius, Inc., a leading national provider of software for municipal building authorities and real estate developers, announces the promotion of Colleen Queeney to Vice President, BluePrince. BluePrince, the flagship product from BUILDERadius, provides jurisdictions with affordable cutting edge technology solutions that manage all aspects of community development.

“Colleen has provided solid support to every jurisdiction she has served and will continue to redefine BluePrince to fit the needs of our users,” says Bill Ward, CEO. “She has great energy, drive and commitment to BUILDERadius and BluePrince users.”

Queeney has worked at BUILDERadius since 2003 as the Director of Systems Engineering and Training. She also served as a Manager of Core Technology Development at XO Communications in San Jose, CA.

Colleen is a graduate of Michigan State University and lives in Asheville with her husband and two children. She is also an active member in the Rotary Club of Asheville, Meet the Geeks Asheville, and the North Carolina Technology Association.

About BUILDERadius, Inc:

Established in January 1999, BUILDERadius offers BluePrince Community Development Software and BuildingDepartment.com online services to municipal building authorities across the United States. They also serve the real estate and property development industry with BuildFax Property and Contractor History Reports and CastleKeep Design Review Software. For more information, please visit www.BluePrince.com or call (828) 350-9950.
